

Most High Ministries *"Relief for Haiti"* Project

Haiti has suffered through four storms in just three weeks. More than 600 people have died and hundreds of thousands find themselves in desperate need of food, clean water and shelter.

Officials continued aid operations in the flood-stricken town of Gonaives, where hundreds died in devastating floods from Tropical Storm Hanna.

Another 61 people perished in Haiti in flooding caused by Ike, officials said. Many of the victims were children younger than seven, they said. Hundreds of bodies were found in Gonaives, a town of 350,000 in northwestern Haiti, after a 16-foot wall of water and mud engulfed much of the town.

100% of all gifts we receive will go to assist the relief effort in Haiti. Gifts will be used to purchase food, medical supplies, water, provide temporary shelter, etc.
